Term 1 Examination Timetable for Yr 11

Dear Parents/Caregivers,

Examination time for students is fast approaching and so, for your information, the Term 1 examination timetable is attached. Please encourage your son or daughter to carefully review when their examinations will occur.

If your child does not have an exam during a particular time slot, they may have the option of either studying quietly in a supervised room at school or be offered the privilege of being able to study at home. To assist the smooth running of the exam timetable, we require a **commitment** from parents regarding the location of your son or daughter during the examination block.

Please indicate your intentions on the permission form attached and return it to Secondary Reception by **Wednesday 19 March**. If your child is not at school then it is expected that they are at home studying for an upcoming exam.

If they are leaving school after a morning exam, they must 'sign out' at Secondary Reception at the end of their examination, leave the campus and not return that day.

If they are only attending school for an afternoon exam, they must 'sign in' at Secondary Reception prior to the examination and remain until the end of the school day.

If a student is absent from school on the day of an exam, due to extenuating circumstances (such as severe illness), please contact the College office that morning to inform the teachers of the situation. A medical certificate will be required.

Also, students must be dressed in full-school uniform - whether in an examination, studying or working in a practical subject.

The examination block extends over four days, so please review the information below carefully. Students will have normal classes until the end of the school day on Wednesday 19 March. There will be no scheduled classes from **Thursday 20 March** through to **Tuesday 25 March**.

Exam times range from 1.5hrs to 3hrs, so some start/finish times may extend into Lunch.

I would like to take this opportunity to wish your son or daughter well in preparation for their final exams. To assist, might I suggest the following strategies:

- To be the best, you have to be the best prepared, and the only way to achieve this is to work hard;
- Top students study for two to five hours on a week night and three to six hours a day at weekends;
- Remove study distractions (for example: magazines, games, TV and Facebook);
- Turn off the mobile phone;
- 20-minute power naps can help;
- Keep things in perspective.

Yours truly

Steve Cowley BEd, MPET, JP (Qual.)
Academic Dean
Brisbane Adventist College

Year 11 Term 1 Exam Timetable 2014

DETAILS	Wednesday 19 March	Thursday 20 March	Friday 21 March	Monday 24 March	Tuesday 25 March
